BUMED INSTRUCTION 5310.9

From: Chief, Bureau of Medicine and Surgery

Subj: ESTABLISHMENT OF MANPOWER REQUIREMENTS DETERMINATION (REDE) TEAMS

Ref: (a) SECNAVINST 5010.1A (NOTAL)
(b) OPNAVINST 1000.16G
(c) OPNAVINST 5310.14C (NOTAL)

Encl: (1) East Coast Area of Responsibility
(2) West Coast Area of Responsibility

1. Purpose. To announce the establishment of the Chief, Bureau of Medicine and Surgery's (BUMED) Manpower Requirements Determination (REDE) Teams.

2. Discussion

a. References (a) through (c) focus on compliance with efficiency review (ER) guidance and implementation of the most efficient organization (MEO). The REDE teams ensure that activity ER studies are based on valid manpower requirements determination tools and that programmed manpower structure, programmed manning, and budgets for resource requirements are based on implementation of the most recent ER study recommendations. The teams assist activity ER personnel in establishing or updating MEO structures. The teams are located at the Naval Healthcare Support Offices (HLTHCARE SUPPO) in Norfolk, VA and San Diego, CA.

b. Each REDE team, under the direction of its HLTHCARE SUPPO, is responsible for providing consulting and assisting services to all medical, dental, and mission-specific activities in their area of responsibility.

c. Enclosure (1) identifies activities supported by the East Coast Team. Enclosure (2) identifies activities supported by the West Coast Team.

3. Action. Activities requiring assistance should contact their appropriate REDE team.

D. F. HAGEN
